

DAVID KRANZ

From Kranzipedia, a free encyclopedia

David Kranz is a *Web Designer* from Chicago Illinois that began a new career in 2013. For more than 12 years he worked around the CME and CBOT in the Chicago financial district and eventually became a futures broker with a large firm. Instead of pursuing work in a similar field, he decided to change his career to suit his creative side and finish school doing something he loves and can be proud of. He now focuses on taking advantage of his web development skill set in a promising new field.
